What is the Level 2 program all about?

This coaching program will help you ***coach clients on a much deeper level*** so that you can ***catalyse sustainable and impactful change*** in those around you.

You will make the transition from ICF Associated Certified Coach (ACC) to ***ICF Professional Certified Coach (PCC)***, building your skills and confidence to work with senior leaders and within organisational contexts.

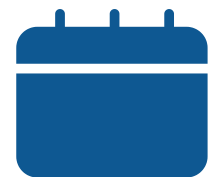

With a ***focus on real-world applications***, we'll make sure you are prepared for the nuanced challenges of professional coaching at the highest levels.

Program Structure

If you have already completed a Level 1 program, we offer two targeted courses designed to enhance your coaching practice and elevate your skills to PCC standards. **Each module contributes to the educational hours required to go from Level 1 (ACC) to Level 2 (PCC) accreditation.**

Course 01 From ACC to PCC

- This course bridges the gap between ACC and PCC levels. More details on the next page.

Course 02 Coaching Leaders

- This course teaches you how to apply advanced coaching skills in organisational contexts, with a focus on coaching leaders and people with high levels of power. More details on the next page.

Part 03

Group Mentor Coaching

- Be guided by Lucia Baldelli, an ICF Master Certified Coach with over two decades of experience.
- Receive personalised feedback on your coaching recordings to enhance your professional development

Part 04

Earn your ICF ACC Certification

- Upon completion, we will grade two of your recorded coaching sessions demonstrating the required skills and award you the ICF PCC certification - a significant step forward in your coaching journey.

You can also take these courses independently if you are not interested in the whole program!

Our pathway to your ICF Professional Certified Coach (PCC) Credential

An ICF PCC credential shows your clients that your practice is aligned with a rigorous code of ethics set by a renowned international accrediting body: the International Coaching Foundation (ICF).

According to ICF, ***"PCC distinguishes coaches with the verified skills required for effective coaching practice and substantial experience partnering with clients"***.

It is tailored for experienced coaches looking to showcase their proficiency in coaching skills, knowledge, and competence.

Participation Requirements

Attendance

Attend 80% of live classes for optimal engagement with your peers.

Preparation

Watch short videos before class for deeper discussions during live sessions.

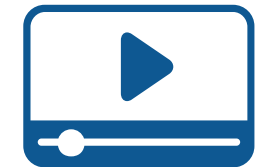

Practice

Coach real clients or peers to apply your learning practically.

Homework

Dedicate 30-60 minutes every week to assignments for reinforcing your skills.

Make-Up Sessions

If you miss a session, watch the recording and share your reflections.

These requirements are integral to the learning process to ensure maximum benefits from the program and prepare you well for your PCC.

Your journey to the ICF PCC Credential

In order to be eligible for the ICF PCC certification through our Level 2 path you also have to

- complete **125+ hours of coaching education** (65 hours from the Level 1 program)
- complete and log **500+ coaching hours**
- record **two coaching sessions** that demonstrate your skills and exceed the PCC bar
- pass the **ICF Credentialing Exam**, if you have not done it for your ICF ACC.

**Meeting these requirements is your responsibility and is not covered by our program.*
